Off Campus Students and Student Organization Reporting of Crimes

There are a number of recognized student groups at UNM-Gallup. At some point during the year, virtually all of the recognized student groups hold some type of meeting or event at an off-campus venue. Off-campus law enforcement, should it be needed, would fall to the police agency that has primary jurisdiction.

When a UNM-Gallup student is involved in an off-campus offense, the law enforcement agency that has primary jurisdiction handles the case. UNM-Gallup PD may assist w561015W*n(6 612 792 reW*nBT/F2 11.04 Tf1 0 0 1

Student, Faculty, and Staff Supportive Measures

Supportive measures will be provided in writing to the complainant (victim), regardless of whether the complainant (victim) chooses to report the crime to UNM-Gallup or local law enforcement or otherwise make a report to the University (CEEO or Director of Student Affairs). Accommodations are provided if requested and reasonably available regardless of a report to law enforcement. The information provided in writing to victims of sexual misconduct, whether the offense occurred on or off campus, can be found in the addendum at the end of this report and includes the following:

Importance of preserving evidence	Confidentiality and confidential reporting
Seeking medical attention	Police reporting options
Reporting options	Rights of parties
Investigative process	How to Request Supportive Measures

Supportive measures may include advocacy, counseling, medical services, academic adjustments, legal and immigration resources, and no contact directives. UNM-Gallup will also maintain as confidential as law permits, any accommodations or supportive measures provided to the complainant, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide accommodations or supportive measures. As a matter of practice, the advocacy centers or Office of Compliance, Ethics, and Equal Opportunity will provide written notification via e-mail to students and employees about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid and other services available to parties bringing forward a concern and to respondents, both within and outside the UNM community.

The LoboRESPECT Advocacy Center, with the assistance of the Director of Student Affairs and guidance from the Title IX Coordinator, has the authority to implement interim safety measures for students, as an administrative investigation is underway to ensure the safety of the campus community as a whole. The Title IX Coordinator, LoboRESPECT Advocacy Center, and the Dean of Students Office will determine the necessity for and scope of any Interim Safety Measure prior to the completion of the University's investigation. During Interim Safety Measures, the University will do its best to continue to allow involved students to obtain access to their education with as minimal interference as possible. Supportive measures are designed to protect the educational experience and safety of all involved, as well as the greater UNM Community. UNM will maintain the confidentiality of these supportive measures, as required bsuppori

Investigative and Disciplinary Procedures

The UNM Office of Compliance, Ethics, and Equal Opportunity (CEEO) has the responsibility of investigating all matters of sexual misconduct, (sexual harassment, domestic violence, dating violence, and

DGP DEFINITIONS

Informal Resolution	An informal process where CEEO does not conduct an investigation, and the allegations in the complaint are therefore neither corroborated nor contested. An informal resolution is not disciplinary in nature and must be agreed to by both parties before proceeding. In

III. TIME FRAME

Individuals who believe their civil rights have been violated at UNM or in a UNM program should file a complaint within 180 calendar days from the most recent alleged discriminatory incident. This time frame may be extended due to the severity and/or pervasiveness of the allegations (such as sexual violence), allegations of a continuing pattern of conduct, or as determined by CEEO.

IV. REPORTING CONCERNS; TYPES OF COMPLAINTS

Any person may report discrimination, including those below, to contact CEEO if they observe, experience, become aware of, or encounter conduct they believe may be related to civil rights violations:

- UNM Students
- UNM Student Employees
- UNM Staff
- UNM Faculty
- UNM Applicants
- Visitors to UNM
- Former UNM Employees or Students
- Parents and Guardians of Applicants or Students

Reports of potential civil rights violations can be made through any of the following means:

- Complete and submit an online CEEO complaint form;
- Email (CEEOunm@unm.edu), fax (505-277-1356), or mail a written document describing the concerns;
- Complete the online UNM EthicsPoint Hotline Complaint Form;
- Make an appointment with a CEEO employee;
- Walk-in at CEEO's office during regular business hours; or
- Call 505-277-5251.

There are different types of complaints that may be made to CEEO under this DGP, as outlined below.

A. Informal Complaint from Complainant

A Complainant may file an informal complaint of discrimination or harassment in order to seek supportive measures and as a means of obtaining information regarding their rights and the CEEO formal grievance procedure as described in Section VI.

Once informed, the Complainant may decide to initiate the formal grievance process. An informal complaint, however, will not activate the formal grievance process.

The informal complaint should include:

1. The Complainant's name and preferred contact information, as well as their affiliation with UNM (student, staff, faculty, applicant, or visitor to UNM);
2. The Respondent's name and contact information, and whether the Respondent is a student, staff, faculty, or UNM visitor;
3. The Complainant's protected status under which the alleged discrimination or harassment has occurred;
4. The civil rights category to which the Complainant believes the allegations belongs (i.e., sexual harassment or misconduct, discrimination, harassment, failure to accommodate, retaliation, etc.); and
5. The reasoning for the civil rights category identified and the Complainant's protected status (as defined on page 1).

Upon receipt of the informal complaint, the following will occur:

1. CEEO will reach out to the Complainant with resources to address their concerns. These resources are specific to the Complainant's role at UNM (student, staff, or faculty) and outline access to groups on and off campus to assist the Complainant with the impacts that alleged discrimination has had on them;

2. The subject matter of the allegations underlying the complaint. CEEO has jurisdiction to investigate alleged policy violations regarding civil rights. For CEEO to have jurisdiction to investigate a complaint, the allegations must state facts that, taken in the light most favorable to the Complainant, qualify as an alleged violation of one or more of UNM's policies. If the allegations in the complaint do not allege sufficient facts demonstrating that one of UNM's civil rights policies have been violated, then CEEO may not be able to accept jurisdiction. As noted above, CEEO may take informal action related to allegations that do not, as alleged, violate UNM policy; therefore, UNM and CEEO encourage anyone who has any concerns related to civil rights at UNM to bring their concerns to CEEO.

To make a jurisdictional determination, CEEO may also consider:
1. Previous and contemporaneous reports or violations against Respondent;
2. Pattern of behavior;
3. Severity of the allegations;
4. Use of weapons, drugs, or coercion;
5. Physical threats or violence;
6. The power dynamic between the parties involved;
7. Where the incident(s) took place;
8. The impact on the parties;
9. Whether multiple parties were impacted.

H. Jurisdiction of Complaints Subject to University Policy 2740
In order to accept jurisdiction in cases of alleged sexual harassment as defined in University Policy 2740, the alleged incident must have occurred in UNM's education program or activity, which includes physical

Section 2.3; University Policy 2720, Section 12; University Policy 2740.
9. Inform the parties about retaliation as described in University Policies 2720(13) and 2740(4);
10. Provide notice of any additional allegations that arise after the initial notice to the parties; and
11. State the purpose of all investigative interviews with a party, with enough time for the party to prepare for the interview.

K. Process Options

After a Complainant files a formal complaint as outlined in Section IV(B) and the parties are provided with notice, the following process options are available:

a. Complainant Meeting
Typically, as part of the formal investigation, CEEO engages in an interview process with Complainant to determine the specific allegations Complainant requests CEEO to investigate. This interview process may consist of multiple meetings, if needed.

During the interview, CEEO will describe the investigative process, the rights and responsibilities of the parties, and UNM's policy prohibiting retaliation. Complainant will provide a statement to the investigator – whether verbal or written – outlining the specific allegations they are making against Respondent(s). If Complainant provides a verbal statement, CEEO will draft a written Confirmation of Allegations (COA) and provide it to Complainant within **two (2) business days** of t/F5 1 asultibalh Complai(ant)-4(om)15(ee)-26king

CEEO does not have subpoena power or other authority to compel document production or witness participation. Document production and witness participation is therefore voluntary; however, UNM strongly encourages all members of the UNM community to participate in CEEO investigations and provide information when CEEO requests it pursuant to its role as investigator.

d. Inspection and Review Process

The parties will be provided an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in a formal complaint, including inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to conclusion of the investigation.

Prior to issuing a final Investigative Report, CEEO will send to each party and the party's support person, if any, the evidence subject to inspection and review in an electronic format. The parties will have **t1hy 72.024 52(o004800**

If a party requires an extension of any time limits applying to them as stated herein, they should submit a request to the investigator as soon as they learn of the need for an extension and state the reason for the request. If good cause for an extension is provided, CEEO may grant the request. If a request is granted, CEEO will notify the parties of the length of the extension and the reason provided for the extension.

In investigations where there is also a criminal investigation by a law enforcement agency, the CEEO process will run concurrently with such an investigation. CEEO may grant temporary delays reasonably requested by law enforcement for evidence gathering and preservation.

B. Responsibilities of the Parties

All persons involved in a CEEO investigation are encouraged, and all UNM employees are required, to preserve all information and tangible material relating to alleged discriminatory or harassing conduct. Examples of evidence include, but are not limited to: electronic communications, photographs, video and/or audio recordings, clothing, and medical information.

At all stages of a CEEO investigative and hearing process, UNM students and employees are expected to provide truthful information to investigators, hearing coordinators, and hearing officers. Making false representations to the University is prohibited under policy and applies to all UNM community members. See UNM Student Code of Conduct, Section 2.3; University Policy 2720; University Policy 2740.

Sanctions can range from a verbal warning to expulsion or termination of employment.

If the Respondent is determined to have violated University Policy 2740, the Title IX Coordinator may provide the Complainant with remedies that are separate from the Respondent's sanction. Remedies are designed to maintain the Complainant's equal access to the academic and/or work environment. Remedies may include extending supportive measures as defined in this DGP. Remedies are not required to be non-disciplinary or non-punitive for the Respondent and need not avoid burdening the Respondent. Remedies are confidential and are not shared with the Respondent except to ensure the remedy is carried out.

VII. CLIMATE ASSESSMENTS; DEPARTMENTAL INVESTIGATIONS; CONSOLIDATED COMPLAINTS

A. Climate Assessment

As an equal opportunity employer and an equal educational opportunity institution, UNM is legally obligated to provide and maintain an atmosphere free from discrimination. UNM must respond appropriately to all reports of discrimination. Such response may include investigating claims and taking appropriate corrective action even when there are no individuals standing in the roles of Complainant and/or Respondent as described herein.

A. Appeals to the President

A party may appeal a Hearing Officer's Final Determination to the President of the University of New Mexico within **seven (7) business days** of the date of the Final Determination's issuance.

The President will consider an appeal only if it alleges one or more of the following extraordinary circumstances:

1. Procedural irregularity that affected the outcome
2. New evidence that was not reasonably available when the determination of responsibility was made that could affect the outcome; or
3. The Title IX Coordinator, investigator, or decision-maker had a general or specific conflict of interest or

discretion to review the President's decision on an appeal of the Final Determination. An appeal may be submitted to the Board of Regents ONLY AFTER the President's review and decision are completed. A person wishing to appeal a decision to the Board must submit a written petition to the Board through the President of the University. The petition must be filed with **thirty (30) days** from the date the decision being appealed was rendered. The petition must describe the decision being appealed and the basis for the appeal. The Board of Regents has sole discretion to determine whether the appeal will be considered. The Board shall render its final decision in writing to the Complainant and Respondent within **ninety (90) days** from the date the appeal was filed unless a delay is requested by one of the parties and approved by the President of the Board. Additional information on appeals to the Board of Regents can be found at https://policy.unm.edu/regents-policies/section-1/1-5.html.

IX. CONFIDENTIALITY

UNM strives to respect individuals' privacy and requests for confidentiality to the extent permitted by state and federal laws. However, UNM has an obligation to investigate and resolve civil rights claims. To meet this obligation, UNM may be required to share information with persons who have a legitimate need to know that information. For example, those who are responsible for determining whether UNM policies have been violated or those sanctioning individuals found to have violated UNM policy have a legitimate need to know the factual findings made by the Hearing Officer. Those who manage the processes for appeals of the Hearing Officer's factual findings have a legitimate need to know the details of CEEO's investigation and/or need to review the evidence underlying a finding.

Upon request, the institution will disclose the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of any crime of violence or a non-forcible sex offense to:

a. The alleged victim;

b. or next of kin, if the victim is deceased

While UNM strives to respect the confidentiality and privacy of all parties involved in the process, UNM **cannot under any circumstances** guarantee confidentiality unless required to do so by law. Examples of situations in which confidentiality cannot be maintained include, but are not limited to:

1. Parties (Complainant and Respondent) have a right to examine and respond to all the evidence gathered by CEEO. While CEEO maintains information protected by FERPA, parties may be able to view FERPA-protected information;
2. When UNM is required by law to disclose information (such as in response to a legal process or a request for information under the New Mexico Inspection of Public Records Act);
3. When disclosure of information – such as the identity of witnesses, sources of information – is necessary for conducting an effective and fair investigation, such as allowing for cross examination questions or providing facts and documentation *ȵBT/F2 172.024 h4qoss ss ss ss 9279.65 Tm0 g0 Gȩ g0 G➢4(s)]TJ267.04.

UNM Weapons Policy

With very few exceptions, employees, students and visitors are not permitted to use or possess weapons on any part of the campus. A weapon includes, but is not limited to: firearms; ammunition and other dangerous weapons, substances, or materials; and bombs, explosives, or incendiary devices.

Any person failing to comply will become subject to appropriate disciplinary and/or criminal action. The UNM Weapons Policy is printed in its entirety in The UNM Pathfinder, which is available on-line at http://pathfinder.un

II. The University of New Mexico Drug Free Campus Policy

This Policy on Illegal Drugs and Alcohol is adopted pursuant to federal laws and because of UNM's commitment to an environment for the pursuit of its educational mission free of drugs and the illegal use of alcohol. Drug and alcohol abuse on campus poses a serious threat to the health and welfare of faculty, staff and students; impairs work and academic performance; jeopardizes the safety and wellbeing of other employees, students and members of the general public; and conflicts with the responsibility of UNM to foster a healthy atmosphere for the pursuit of education, research and service. Federal and State laws relating to controlled substances and alcohol are enforced by UNMPD. The university enforces the state of New Mexico underage drinking laws and therefore does not permit the possession or consumption of alcoholic beverages by people under the age of twenty-one. Illegal uses of alcohol include, but are not limited to: serving, buying or drinking alcohol by a minor; assisting a minor or an

Policy 2740 shall not be implemented until the exhaustion of the appellate process, including the Regents-level discretionary appeal.

For more detailed information, students should refer to the Student Code of Conduct and related policies printed in *The UNM Pathfinder* (http://pathfinder.unm.edu) and/or contact the Dean of Students Office.

UNM's response to any violation of this policy may include, as a total or partial alternative to disciplinary action, a requirement that the employee or student participate satisfactorily in an approved substance abuse treatment or rehabilitation program as a condition of continued employment or registration/enrollment. Any employee engaged in the performance of work under a federal contract or grant is required, as a condition of employment, to notify his/her supervisor if he or she is convicted of a criminal drug statute violation occurring in the workplace within five days of such conviction. The supervisor shall notify the University Counsel's Office. Failure of the employee to notify the supervisor shall be grounds for disciplinary action.

In recognition of the dangers of substance abuse in the workplace, UNM shall maintain alcohol and drug free awareness programs to inform members of the University community about the issues and risks of substance abuse, and about counseling and treatment resources. The university shall assign responsibility for such awareness programs to specific administrative entities, which shall be provided sufficient resources to develop and maintain the programs. As a matter of policy, any referral, treatment, awareness or primary prevention programs established by the University shall play no role in enforcing or instituting possible disciplinary action.

VII. Active Bystander Intervention

A bystander is a person who observes a conflict or unacceptable behavior. The observed behavior may be serious or minor, one-time or repeated, but the bystander knows that the behavior is harmful or likely to make a situation worse. This person may be in a position to discourage, prevent, or interrupt unacceptable behavior. The bystander has two options: to remain a passive bystander or become an active bystander. A passive bystander is one who observes but does not intervene in any way.

Steps to becoming an Active Bystander:
1. Notice a situation that is out of the ordinary. Does your "gut" tell you something is wrong?
2. Ask yourself if I could play a role here?
    a. If nobody intervenes, what will likely happen?
    b. Is someone else better equipped to respond?
    c. What would be my purpose of responding?
3. Assess your options for providing help. Use your words; do not use violence to end violence.
4. Determine the potential risk(s) of acting
    a. Are there risks to myself and/or others?
    b. Is there a low-risk option?
    c. How could I reduce risks?
5. Determine how to implement your choice(s) safely.

Examples of safe bystander interventions:
• Come up with an excuse to separate your friend from the situation
• Ask friends to assist when a situation seems to be going poorly
• Come up with some distraction if a situation is not going well

The aforementioned educational programs, trainings, and strategies are designed to reduce the risk associated with dating violence, domestic violence, sexual assault, and stalking for students, staff, and faculty.
